GRAYS LAKE

INVASIVE PLANT TREATMENT NOTICE – 2024

The Grays Lake Management Committee along with the Grayslake Community Park District has contracted with McCloud Aquatics to perform a full volume treatment of the Lake for the reduction of Curlyleaf Pond Weed and other invasive plants.

The application will be performed on **THURSDAY, MAY 30TH** weather dependent. The following **RESTRICTIONS** will apply:

- **No use of water for Irrigation for 30 days**

Notices for any future applications will be posted on the District's website at www.glpd.com , letters will be distributed to adjacent landowners and signs will be posted at the Park District owned property.

We thank you for your cooperation in our attempt to control the invasive plants in our community lake.
